SUBMITTED TO: Philip Smallman, Esq.
32 Court Street
Brooklyn, New York 11201

CONFIDENTIAL
ATTENTION: Mr. Philip Smallman, Esq.

RE: Albert Cleary June 23, 2004

(Name of Subject) (Date)

ARRANGEMENTS: *The above named subject was given a Polygraph Examination for the purpose of determining the truthfulness of the answers to the following questions. Subject signed statements releasing all parties concerned and empowering this examiner to disclose to those in authority his opinions, as well as information elicited during said test.*

PROCEDURE: *A four pen Lafayette Polygraph was utilized to register changes in blood-pressure rate and strength of pulse-beat, galvanic skin response, and the respiratory pattern.*

PURPOSE: The purpose of this examination is to attempt to determine if in fact the subject is making truthful statements with regards to the murder of Mark Fisher.

The following relevant questions were asked with the indicated answer given.

1. Regarding the murder of Mark Fisher, do you intend to answer truthfully each question about that? Yes
2. Do you know who murdered Mark Fisher? No
3. Do you know any information about Mark Fisher's murder that you are holding back from the police? No

000746

EXAMINER'S No deception was indicated in this subject's recorded responses to the relevant
OPINION: questions and it is this examiner's opinion that the subject answered all of the
